College Internship Program Overview

Thank you for your interest in the college internship program for the Hilton Head Jazz Camp. We started our summer jazz program in 2011 with only 9 students and it has grown into three summer programs with 110 students in 2017. With similar numbers expected in 2018, we would love to hire five undergraduate or graduate college students to serve as college interns for our main Hilton Head Jazz Camp taking place July 9-14. This is also available to any 19-25 year old highly skilled musician with a significant professional experience. We would ask all interns to arrive on the late afternoon of July 8 at our locally established hotel.
